Tip Top Tent had a fairly well attended review last Monday evening. Five applications for membership were presented and three candidates initiated. Considerable interest is being taken in the tent by the Sir Knights and a greatly increased membership will undoubtedly follow. Several Sir Knights are sick with the grip. Every member who can possibly attend is requested to be present next Monday.

Court Pride of Akron met Tuesday evening with a fair attendance. All members should be present next Tuesday evening to get the 1901 calendar just received. It's a hummer. Other important business is to be transacted.

The L. O. T. M. of Akron had an enjoyable evening last Tuesday at the joint installation ceremonies. Those who were absent missed a rare treat. A few of the ladies have not paid these dues or the per capita tax. Ladies be more prompt with your dues. The sewing society will meet in the afternoon.

WOMAN'S VETERAN RELIEF UNION.

Lincoln Union met Thursday and considerable business was transacted. The new officers were at their stations and proved themselves worthy of their office. One sister was elected a member. Akron Camp, met Monday evening. Four applications were received. Our Camp has decided to send the Chief Forester with his team to St. Paul next June. The members of the team are being selected and steps taken to raise funds for the project. Just before closing lodge we were startled by loud knocking and many voices of ladies at the entrance of the hall. The door keeper fled and many Royal Neighbors came in, laden with things that make a fitting repast at that hour. Neighbor Knapp gave us three comical recitations. The Neighbors were called on to make speeches. The Venerable Consul, A. Laudenslager, started the ball a rolling and but few failed to get an opportunity to display their oratory. Games and dancing was enjoyed by those who so desired. It was a complete surprise to the Woodman. Come again ladies. We are glad to welcome you.

DAUGHTERS OF LIBERTY.

Columbia Council held a good meeting Thursday evening. It was held later than usual on account of special business. Officers were installed and the new machinery for present term put in motion. All present enjoyed the meeting. Initiation was deferred, candidates not being present. Next regular meeting Jan. 31, at 2 p. m., to give way for the Spinsters Convention in the evening. Some announcements were made and some hand bills given out. If any of the members have grip tell them to attend the Spinsters Convention. They will be sure to shake it off.

D. O. F.

Ogreeta Council will meet in regular sleep, Tuesday evening, Jan. 22. All members are requested to be present.

SONS OF ST. GEORGE.

Akron Lodge had a record breaking meeting Wednesday evening. The large hall was nearly filled. We had a visiting brother from New York with us, who gave a very pleasant lecture on how our lodges are doing all over the United States. Two very important matters brought the large crowd out. The first was the report of the committee on revising the by-

laws. The report was read for the second time. Next week is to be the third reading. If you want anything considered come up and have a note on it. It is for your benefit. All the brothers who have not contributed to the benefit fund, will be doing a great and good act by doing so on or before next Wednesday evening. Mail or send same to Wm. B. Cook, care Schumacher and Gammeter, 8. Howard st.

THE CHEVALIERS.

The Deputies wrote 62 applications the first week, 75 the second week, and expect to write 100 the coming week. Mr. Benjamin Denner, formerly with the Pathfinder, is at work in the city. Denner always knows how to get the business. Mr. Place, who is working at Barborton, has written 15 applications this week; a good record for a new man. The Council at Barborton will be composed of the best people, and will be organized in a short time. Mr. T. C. Price, formerly with the Bankers' Fraternal Union, has taken the work for Cleveland and has sent in a number of applications. Mr. Price is well acquainted in Cleveland and will organize a large Council in a few weeks. The Supreme Officers have been very busy the past week getting out Supreme Council books, supplies, etc. They have furnished two more rooms and are in elegant shape for business. Council No. 1, will be instituted in about 10 days and all of the Supreme Officers will be in attendance. Gen. Dick the Supreme President, will preside. The instituting ceremonies will close with a banquet and social.

THE PATHFINDER.

Middlebury Lodge held a fine meeting Friday night. At the preceding meeting a special dispensation was granted them, and as a result nineteen (19) applications were presented last night. A class of eleven was initiated, the team of Akron Lodge officiating. Officers for the new term were installed by Deputy Supreme President, Jas. W. Harter, Esq.

Akron Lodge received eleven applications last meeting, with a promise of at least thirty by Monday night. Everyone seems to be at work and the united effort of the members is increasing our numbers rapidly. Our treasurer's report shows a gain in the local treasury of \$379.00 during the past six months. Akron Lodge expects to have a grand time on the 28th. Two carloads of members are promised from Cleveland and large delegations from other nearby lodges.

Saranac Tribe kindled its Council Fire at Thursday's sleep, when our pale face was elected to membership. Chiefs don't forget next Thursday Sleep. The degree team of Fleet Foot Tribe of Canton will visit us and confer the adoption degree upon a class of pale faces. Chiefs not present will miss something worth seeing, as Fleet Foot's team has the reputation of being one of the best in the reservation of Ohio. There are a number of Chiefs from different reservations residing here who are cordially invited to be with us. We would be pleased to have all Red Men from these hunting grounds present. The reception committee will meet the Canton Chiefs at the depot and trail them to the Wigwam where they will receive a warm reception. Our representative elect to the great Council of Ohio, L. R. Campbell, met with us at our last Council and all the Chiefs were pleased to see him. We hope to see him oftener in the future than we have in

It is just as easy to drift into danger as to drive into it. The progress is slow but the end is equally sure. It is the gradual progress of drifting which blinds to the danger. Men and women drift into ill-health in such a way. There is a little feeling of oppression after eating. After a time it passes away. Some day it returns and brings another symptom—headache, perhaps. Something is done to relieve the headache, but nothing to relieve the cause. So one more victim goes drifting on to the rocks of disease.

Young women who are teaching or studying are very apt to become victims of disease of the stomach. They eat in judiciously, in some cases, and in general the brain is too occupied to allow the stomach the blood necessary to carry on its functions. Hence in time the organs of digestion and nutrition are totally deranged, and the young graduate goes home a chronic invalid.

The timely use of Dr. Pierce's Golden Medical Discovery will avert such a condition; the faithful use of it in chronic cases will effect a complete cure.

"I was troubled with very frequent headaches often accompanied by severe vomiting," writes Miss Mary Belle Summerton, of San Diego, Cal. "I was so weak and nervous, and my stomach and liver seemed continually out of order. I could eat almost nothing, and sometimes absolutely nothing, for twenty-four hours at a time. I was entirely unfit for work, and my general health seemed to be going down. I feared a severe sick spell and was very much discouraged. I was advised to try Dr. Pierce's Golden Medical Discovery, and before finishing the third bottle I was able to undertake the duties of my school life, and continued to do so."

A BEAUTIFUL COMPLEXION FREE

MME. A. RUPPERT'S WORLD-RENOUNDED FACE BLEACH—MOST WITHOUT COST

NO MATTER HOW BLEMISHED THE SKIN, FACE BLEACH WILL MAKE IT PERFECT

Madame A. Ruppert says: "My skin is not a new, untanned, rosy, but has been used by the best people for years, and for dissolving and removing forever pimples, freckles, blotches, blackheads, eruptions, tan, sunburn, redness, and all other blemishes on the skin, and for brightening and beautifying the complexion it has no equal. It is absolutely harmless, and the most delicate skin."

The marvelous improvement after a few applications is most apparent. For the skin becomes as nature intended it should be, smooth, clear and white, free from every impurity and blemish. It cannot fail, for its action is such that it draws the impurities out of the skin, and does not cover them up, and is invisible during use. This is the only thorough and permanent way."

During this month, I will offer to all a free bottle of my world renowned Face Bleach, sufficient to show that it is all that I claim for it, and any reader of this can send me six cents in stamps or silver, and will send the trial bottle, securely packed in plain wrapper, sealed, all charges prepaid.

My book "How to be Beautiful" will be mailed free to all who will write for it."

Agenda Lodge met Tuesday evening with a good attendance. The following officers were installed by our Grand Deputy, Sister Rachel Tait.

ARE YOU PLUMP

or thin? red cheeks or sallow life in your step or feel your weight? are you comfortable or hoping to be so next spring or summer or fall?

One is health; the other is not-quite health.

This condition of not-quite health can be turned into health with Scott's emulsion of cod-liver oil.

It is a pity to get in the habit of thinking of health as a thing to be hoped for; why not go for it now!

There is only one way to make strength; by food. You want appetite first, then food. The emulsion will give you food-rest, to master your food with.

We'll send you a little to try, if you like. SCOTT & BOWNE, 409 Pearl street, New York.

Past Pro, I. J. Frank; Pro, Stephen Townsend; Vice Pro, Mary Blen; Secretary, May Ferguson; Financial Secretary, Minnie Vosburg; Treasurer, Mollie Frank; Chaplain, N. E. Church; Guide, Alf. Woodring; Guardian, Elizabeth Laskaris; Sentinel, S. L. Walkup. The new officers entered upon their duties with a determination to make this, the beginning of the new century, the most successful term in the history of Agenda. After the business session the captain reorganized the team. We sincerely trust the Journal, published in the interest of the order, will meet approval of all our members. The death of Sister Guilford on Thursday was a great shock to all. She was with us at our last meeting. To the stricken family and friends, we tender our heartfelt sympathy. In this their most trying hour of bereavement we bid them look to him who alone can give them consolation.

Amusements

A light comedy with a strong underlying vein of farce is what "At the White Horse Tavern" that crowded Wallack's theater, New York, for nearly twelve weeks, and kept Berlin in screams of laughter for nearly a year, is reported to be. Daniel and Charles Frohman present the piece with a company selected from among the more artistic of their large force, the more prominent people being Frederic Bond, who heads the company; Carolyn Clawson, Charlotte Crane, Louis Albion, Fred Summerfield, Charles Hanford, Della Clarke, George Friend, Mrs. T. Elberts, David Elmer, Duncan Harris, Estabrooke Galloway, Alma Ayers, Charles H. Booth, Cora Ardell, and many others. The story is full of the most delicate love touches. An example of charming femininity of an unusual type, in plays at least, is the hostess of "At the White Horse Tavern."

"At the White Horse Tavern" will be performed for the first time here Monday, Jan. 21, at the Grand opera house. The part of the hostess of the White Horse Tavern is played by Miss Carolyn Clawson, whose home is in Warren, this state. Miss Clawson was especially selected for the role by W. O. Dan'l Frohman, who is ever on the alert to recognize historic talent, and to secure it, in all parts of the world. The happiness of his judgment in engaging Miss Clawson for this character will be acknowledged by all who see her next Monday night.

Suffering Women

Don't Despair! This is our message to weak women. Here is assurance of help from one who has suffered and found relief.

"I am a firm believer in the efficacy of Dr. Williams' Pink Pills for Pale People, for they cured me after several doctors had told me that nothing out of an operation would save my life. For nearly 30 years I suffered from female weakness which was aggravated by kidney trouble. I could stand but a few minutes at a time and at intervals would be confined to my bed for days."

"For about ten years I doctor'd continually and employed several physicians. I continued to grow worse and finally the doctors told me that my only hope was in an operation. I would not submit to this. "Secure Dr. Williams' Pink Pills for Pale People advertised in the papers I decided to try them. That was four years ago. I thought they helped me and I took in all six boxes of the pills. They are the best medicine I ever found. No one who sees me now would believe that I had suffered so much. I do not find it necessary to take the pills now and am able to do my own housework. It is a pleasure in recommending Dr. Williams' Pink Pills to all who are in need of a good medicine."
